What can you do at home to ensure your child's success?

- Talk to your child about his/her day at school.
- Ask your child questions about their learning
- READ!!! Read with your child every night!
- Play games! Learning games, board games, interactive game. (If you need any of these we have some available in our Parent Resource Room)
- Practice math on your visits to the grocery store
- Practice writing with your child by asking him or her to construct a written response to a question.
