## Helpful Tips:

You will need approximately a pint of paint to spread with a roller brush or 2-3 cans of spray paint **plus** the paint used for your design. You will likely need two cans of spray paint for the background. You can either use a stencil or free-hand your design. It will likely take at least an hour to complete the project. A bucket of water and rags are helpful to clean brushes and hands. Please do not use paint thinner on campus. **HAVE FUN AND BE CREATIVE!!!**
