Dear Students/Parents/Guardians:

The end of the year is quickly approaching, and it is time to honor our outstanding students. As you know, many of the honors that are given have strict criteria and parameters set by the State, County and Community Organizations. Some awards are EHS "in-house" awards. We are changing the selection process of our EHS in-house awards, that have been a tradition for several years. The process will involve an online application similar to applying for scholarship. Directions, guidelines, criteria and the application are now on the main page of the EHS website. Students will be able to apply from Tuesday March 26, 2019 until Friday April 19, 2019. Mr. Horn and a committee of administrators, counselors and teachers will then review and choose the honorees. Our Honors Night will be held on Tuesday, May 21, 2019 at 7:30pm in the New Gym. Students being honored will receive an invitation by mail one week prior to the ceremony. In addition, an entire list of honors and the criteria for those honors that will be awarded will be posted on the EHS website.
