

RRHS Registration Timeline for Rising 10th through 12th Grades

For SY 2020-2021

January 21-24, 2020:

Students will be placed in their core classes* for next year by their current teachers in Math, Science, Social Studies, English, and World Languages (Special Education students included).

*except for AP Courses, see description below.

January 7-14, 2020:

Students make requests for AP courses they wish to take with the AP teacher. Students must visit the AP teacher to request the course (their current teachers do not request for them). Teachers will review student data and make recommendations for AP Courses. Students will find out if they are recommended for AP course during face to face counselor meeting in Late January/Early February (see range below).

January 15, 2020:

Student elective sheets distributed. Forms due to student's counselor during counselor visits between 1/27/2020 and 2/7/2020, no later than 2/7.

January 16:

Elective Fair at 7:15 pm in RRHS Media Center.

January 27-February 7, 2020:

Students meet individually with their counselor during their English class. Students turn in elective form, choose electives, and verify core placements and graduation progress with counselors.

March:

Students receive course request verification to review their course requests for next year. A form will be available for students to request a change to their original course requests.
