### Agenda Items

TIME ALLOTTED: 7:38-7:50    TOPIC: Report of the Principal: Playground Update

PRESENTER: Daniel Fuller

DISCUSSION	Mr. Fuller explained a few changes to the new playground. There was a need to move the actual site a little. The original location was not very level. Moving to the right fixed the project. This allows the school to keep the old playground. It is still in decent shape. New mulch will be required for the existing playground. Start date has been held up because of rain. Hopefully will be soon!	
CONCLUSIONS	These changes were approved by the council.

TIME ALLOTTED: 7:50-8:00

TOPIC: 2019 Legislative Priorities

PRESENTER: Daniel Fuller

DISCUSSION	Latest version of legislative decisions that affect our schools. The flyer explains our stand (CCSD) on certain issues. One issue is the school calendar. CCSD parents were surveyed and like the current calendar rather than starting in September. The county would like to maintain local control. Also noted were funding improvements, including health care, transportation, and retirement.

TIME ALLOTTED: 8:00-8:05                      TOPIC: Phonics Program                      PRESENTER: Daniel Fuller

DISCUSSION	EXP schedule allows for those students that did not have phonics in earlier grades to get phonics during EXP to help with Milestones. These are students that are a few grade levels behind. The phonics program that is in place now in the lower grades has shown such great success.

TIME ALLOTTED: 8:05-8:13                      TOPIC: Hiring Tutors for Help with scores                      PRESENTER: Mrs. Schorr

	Mrs. Schorr was curious whether CCSD hires teachers to actual tutor students in school to prep for the Milestones. Mr. Fuller explained that our EXP program is probably the equivalent. Our ILS (Robyn Wong) is also an instructional coach within the building who helps teachers get the students what they need. Mr. Fuller also explained the computer time that 4 <sup>th</sup> and 5 <sup>th</sup> grade students get in the AM to practice i-ready skills (Fuller Fun Zone and Wong's Wonderland).

TIME ALLOTTED: 8:13-8:20                      TOPIC: New Housing Development                      PRESENTER: Jeremy Carlucci

DISCUSSION	New development going in directly next to the school. Apparently 255 new homes with probably 300 more students. City is looking at not pushing it through.	
CONCLUSIONS	Mr. Fuller did get a flyer about it and has inquired with the county.
