Teacher recommendation:

Dear Teachers,

Students who participate in Friends Club will miss 15-30 minutes of instructional time once a week to:

- Help special needs students with communication skills
- Help special needs students build social skills in specials and recess
- Help special needs students with modified PE games
- Be a friend

Work completion and behavior will be a factor to determine if a student can participate each week. Communication with Mrs. Morrison and Ms. Wooten is welcomed and encouraged!

Please sign below if you recommend this student for participation in Friends Club.
