

After School Classes Bascomb Elementary

PLUG INTO YOUR CREATIVITY!

BRAINY BYTES brings the technology to you, providing after school classes, workshops, camps and parties!

Jr Programming (K-2)

Fri 3:30-4:30
Aug 27 - Nov 19 (12 Weeks)
\$200
Classroom: TBD

Introduce your child to technology and simple programming with this exciting tablet-based course. Students will create interactive images, computer games, and story animations.

While they are busy creating and having fun, students will be learning basic programming skills and will take away critical thinking and problem-solving skills that will benefit them long after the course is over.

Graphic Design (3-5)

Fri 3:30-4:30
Aug 27 - Nov 19 (12 Weeks)
\$200
Classroom: TBD

Art and technology collide in this fun and imaginative course. Emphasizing real-world learning, after you have been introduced to the tools for the job you will step into the life of a graphic designer.

Your task will be to create the projects requested by your clients and then present your creations for consideration. Projects may include ads, posters, promotional items, and more. Put your creativity to work in this artistic and collaborative course.

For more info and to register go to nwatlanta.brainybytes.com
Or call 770-668-3424

REGISTRATIONS ARE NOT TAKEN BY THE SCHOOL.

Please see IMPORTANT registration and payment plan information on the back. Cherokee County students MUST be enrolled in the ASP program at their school to participate - an additional \$10 daily ASP fee will be paid to the school.
