FUNdamental Science Labs

Explore, question and experiment with fascinating facts, projects and activities! Students will engage in discovery based, hands on learning with our carefully researched science lessons that build skills in observation, measurement, problem solving through experimentation involving life, earth, and physical science concepts. The units are rigorously researched by science educators with the help of teachers and children. The results are lessons that students enjoy and genuinely learn from.

Day: Wednesday **Time:** 3:30p - 4:30p **Classroom:** Room 922 **Ages:** K-5

I have read and understand the information provided in this flyer. I waive any right to claim against Terrific Scientific owners, staff and teachers in the event of an accident, injury or loss of personal items. I understand I am committing to my child's participation in Terrific Scientific and reserving a place in class for the designated session above, tuition refunds are only available when providing Terrific Scientific with 2 weeks advanced notice of the class the party wishes to cancel (discounts and supply fees will be removed and free items will be charged based on the current selling price). I understand there will be a \$25 fee for any returned checks. I understand it is my responsibility to pick up my child from the designated area at the designated end time unless other arrangements have been made. I authorize the release of my child's artwork and photo for display purposes by Terrific Scientific, my child's school and/or School District.
