First Grade

Firebirds

Indian Knoll Elementary School

2020-2021

This year, 1st grade will be collecting a $35 yearly supply fee. The supply fee allows for each individual teacher to purchase the supplies that are necessary for their distinct classrooms, and helps to maintain an equitable distribution of supplies. This fee also includes our class t-shirt that we will wear for our house meetings and other events. We hope it also relieves some of the beginning of the year burden for parents! You may choose to paythe whole $35 at the beginning of the school year, or $20 for the first semester and then $15.00 in January. Supply fees help cover the cost of any educational or art supplies in the classroom. This classroom supply fee is a donation, and no child will be penalized if they are unable to pay. If you would like to donate a supply fee scholarship (in any amount) for a child who may not be able to pay, please speak with your child's teacher. In addition, we ask that each child have a full size backpack (preferably

These items will be used in your child's class as well as in Art, PE, Music, and Science

Tissues	Disinfecting Wipes (such as Clorox Wipes)***
Baby Wipes	Paper Towels
