

# FIFTH GRADE

Indian Knoll Elementary School  
2020-2021

The 5<sup>th</sup> Grade team collects a \$35 supply fee for the school year. You may choose to pay \$20 for the first semester and then \$15 in January, or the whole \$35. This donation also includes a class shirt that your child will wear to "house" meetings. This is a donation and your child will not be penalized if it is not paid. If you would like to provide a supply fee scholarship for a child in the class, please speak with your child's teacher. The supply fee ensures that all supplies are equitable in the classroom. It covers the cost of art supplies and educational materials your child will need throughout the year. We hope it also relieves some of the beginning of the year burden for parents. We also request that each child bring a full sized backpack (without wheels) on the first day of school.

In addition to the supply fee, if you would like to donate any of the following items to our Specials area classrooms, it would be greatly appreciated. Thank you!
