School Council Bylaws and Guidelines

HB 1187, SECTION 10. ARTICLE 4A. O.C.G.A. 20-2-85, *et seq.*

Name

The name of this school council shall be the _____ hereinafter referred to as the school council organized under the authority of State law and the Board of Education.

Preamble and Purpose

The role of the school council is to bring communities and schools closer together in a spirit of cooperation, solve difficult education problems, improve academic achievement, provide support for teachers and administrators, and bring parents into the school-based decision-making process. The school council will advise and assist the principal in facilitating the development and monitoring of the progress of the School Improvement Plan. School councils will operate under established administrative guidelines as determined by the A+ Education Reform Act of 2000, O.C.G.A. 20-2-85.

The establishment of school councils is intended to help local boards of education develop and nurture participation, bring parents and the community together with teachers and school administrators to create a better understanding of and mutual respect for each other's concerns, and share ideas for school improvement. School councils shall be reflective of the school community.

The management and control of public schools shall be the responsibility of local boards of education, and the school leader shall be the principal. School councils shall provide advice, recommendations, and assistance and represent the community of parents and businesses. Each member of the council, as a community representative, shall be accorded the respect and attention deserving of such election.

Training

The Georgia Department of Education shall provide a training program to assist schools in forming a school council and to assist school council members in the performance of their duties. Such program shall address:

- (1) the organization of councils;
- (2) their purpose and responsibilities;
- (3) applicable laws, rules, regulations and meeting procedures;

- (4) important State and local Cherokee County School System program requirements; and
- (5) shall provide a model school council organization plan.

The training program shall be offered to school council members at least twice per school year, except that this program shall be offered during the month of July or September should there be members of the school council with a term commencing on July 01 or October 1 who have not previously received this training.

School Council Membership

Membership on the council shall be open to teachers, parents, and business representatives selected from all businesses that are designated school business partners. Any member may withdraw from the council by delivering to the council a written resignation and submitting a copy to the secretary of the council or school principal. Should school council members determine that a member of the council is no longer active in the council as defined by the bylaws of the council, the council may, by a vote of five members of the council, withdraw such person's membership status, effective as of a date determined by the council.

Members of the council shall serve for a term of two years. The terms of the council members shall be staggered. If eligible for membership, council members may serve more than one term.

The property and business of the council shall be managed by a minimum of seven school council members of whom a majority shall constitute a quorum. The number of the school council members shall be specified in the bylaws. School council members must be individuals who are 18 years of age or older. Members of the school council shall include:

- (1) A number of parents or guardians of students enrolled in the school, excluding employees who are parents or guardians of such students, so that such parents or guardians make up a majority of the council and at least two of whom shall be business persons. Parent council members shall be elected by, and from among, the group they represent.

An employee of the local Cherokee County School System may serve as a parent representative on the council of a school in which his or her child is enrolled if such employee works at a different school.

A parent of a child assigned or enrolled at an alternative program (i.e., Polaris Evening, ACE Academy) does qualify for election as a parent in the home school where their child would attend.

While terms of office are for two years, parents or guardians of any grade-level child enrolled in the school are eligible to vote and hold office, regardless of whether or not their child may graduate from the school in one year or less.

School Board members, as parents or businesspersons, are disqualified from serving on school councils but are allowed to vote as a parent from an electing body.

- (2) At least two certificated teachers, excluding any personnel employed in administrative positions, who are employed at least four of the six school segments at the school. Teachers who have resigned but are currently employed are not eligible to vote and be elected as a teacher representative.
- (3) School Principal, and
- (4) Other members as specified in the council's bylaws, such as, but not limited to, students, staff, and representatives of school related organizations

Other business persons from the local business community may serve on the council and shall be selected by the other members of the school council.

Vacancy on Council

The office of school council member shall be automatically vacated:

- (1) If a member resigns;
- (2) If the person holding the office is removed as a member by an action of the council; or
- (3) If a member no longer meets the qualifications specified by law.

An election within the electing body for a replacement to fill the remainder of an unexpired term shall be held within 30 days, unless there are 90 calendar days or less remaining in the term in which case the vacancy shall remain unfilled.

Meeting Notice and Location

All meetings of the council shall be held at the school in a location determined by the principal. The council shall meet a minimum of four times annually, at the call of the chairperson, or at the request of a majority of the members of the council. School councils may notify the media of all dates, times and locations of council meetings for the entire school year, July 01 through June 30, with additional notice to media for cancellations, date/time/location changes and called meetings. Because the law requires notice by mail to be sent to school council members at least seven days prior to a meeting of the council, there can be no emergency meetings of the council.

The council secretary shall be responsible for notifying, in writing, the *Cherokee Tribune* of any and all meetings of the council at least twenty-four hours in advance of the meeting. It is the responsibility of the school council member serving as secretary to maintain a written record of compliance with this notification requirement. Additionally, the council secretary shall provide advance notification, in writing, to the school community of teachers and parents of any and all school council meetings.

If only one position on the council is open, then subsequent votes are required until one single individual emerges with the highest vote. Teachers/Parents must be present and qualified to vote. A person does not have to be present at the time of the vote to be elected to the school council.
